Work Experience

Cuneiform Consulting
Oct 23 - Oct 24 | Ahmedabad, Ind

Jr. UX Designer

- Collaborated intensively with development teams, product owners, and designers to create user-focused solutions. Our approach resulted in a 20% increase in user satisfaction and successful goal achievement.

- Led and collaborated on over 10 projects with cross-functional teams to deliver user-friendly products. By strategically designing and solving problems, we met all client needs effectively.

- Developed and optimized user experiences for a range of products, including SaaS ERP dashboards, application interfaces, over 8 website designs, and admin panels, ensuring high functionality and user satisfaction.

Codage Habitation
Feb 23 - Aug 23 | Ahmedabad, Ind

UI/UX Intern

- Enhanced UI design skills for websites and app mockups under senior mentorship, delivering visually engaging and user-friendly designs.

- Applied UX principles learned through Coursera to craft intuitive, user-focused solutions.

- Specialized in crafting visually appealing designs, driven by UX principles and a user-centered approach.

Certificates

University of Michigan
Aug 23 - Oct 23 | Coursera

UX Design for AR/VR/MR/XR

- Mastered principles of designing user-centric XR experiences, emphasizing spatial interfaces, sensory design, and prototyping to develop immersive, innovative solutions.

Google
Aug 22 - Jan 23 | Coursera

User Experience Design

- Gained a solid foundation through a over 150 hour course in UX principles, research, and design strategies, initiating my journey toward crafting intuitive, human-centered design solutions.

Education

Indus University
Jul 16 - Apr 20 | B.Tech

Computer Engineering   GPA : 7.23

- Developed foundational engineering knowledge, comprehending product development, and exploring career paths to determine the best fit for future growth.
